

# CORRUPTION PREVENTION STRATEGY

ACLEI's **Strategic Purpose** is to make it more difficult for corruption in law enforcement agencies to occur or remain undetected

## ACLEI's Approach to Corruption Prevention

ACLEI prioritises and directs resources to areas of highest impact

ACLEI works with jurisdiction agencies to find opportunities to strengthen integrity systems

## Corruption Prevention in Action

### *Identify current and emerging threats*

- Environmental scans, investigations reviews, proactive engagements, and feedback loops.

### *Explore and understand risk*

- Intelligence probes, vulnerabilities briefs, specialist reviews, and analysis.

### *Action*

- **Innovate** – publications, projects, tools, products
- **Collaborate** – national and international co-operation
- **Engage** – ACLEI community of practice, presentations, targeted advice, joint risk assessments.
